

# Slaves to America

## Introduction

For 500 years Africa has yielded up its best to America. For a historical perspective see [Twelve Years a Slave](#). America has also created massive opportunities for African immigrants. See [Elon Musk](#)

Fast forward to the year 2015 and let me introduce you to a new force – Modern African Youth, powered by [TurboCASH Accounting](#), the world's leading open source accounting software for SMEs.

Slaves to America, introduces American Capitalists to African Accountants.

## The Rancher

You have downloaded *TurboCASH Accounting* and you like it!

You are a US Citizen or business incorporated in the USA;

You have a Capital Account and you have a positive cashflow;

You wish to grow your Capital and your Cashflow;

You are in need of *TurboCASH* and the services of a *TurboCASH* accountant;

You are happy to Sponsor (\$10 000), the 6 month internship of a *TurboCASH* Accountant in your business.

## The Problem

While you do have a Capital Stock pile and you do have a positive cashflow, you would like to make this cashflow greater. Implementing a tested accounting system is the best way to do this.

Tidy Invoicing and Debt Collection  
Bank Reconciliation  
Accurate Cost Reports  
Leverage Compliance  
Tax Compliance

## The Solution

*TurboCASH* is an open source general ledger system that is capable of preparing GAAP and IFRS accounts. We work in over 80 different tax regimes and easily handle all US requirements.

We send an accountant endorsed by the TurboCASH Project to the US for a six month internship.

Using TurboCASH in your business either as a start up or as a replacement for a proprietary technology will open you up to concepts such as compliance reporting business cloning and leveraged growth.

## The Slave

You are is aged between 18 and 21 have a minimum high school education, (preferably with maths and accounting.)

You wish to become a TurboCASH Accountant

You are happy to work in the *TurboCASH* Project as an unpaid intern for 3 months;

You are happy to work in the USA for \$ 1000 per month for 6 months.

## The Contract

The Rancher contracts SlavesToAmerica ([Philip Copeman](#)) to train and ship an Intern to the USA.

Payment is \$ 10 000, \$4000 on order and 90 days later, \$6 000 7 days before the Slave boards the Airflight to the USA.

SlavesTo America will then pay The Slave \$ 6000 per month; pay for return economy airflights to the USA; make Visa Arrangements and train the Slave in SME accounting using TurboCASH, Skype; Facebook and the [TurboCASH Community Site](#)

After 6 months The Slave either returns to Africa or enters into a bondage agreement with the Rancher and the US Government.
